

Body Treatments

Steamy Wonder Treatment..... \$60
 Enjoy the healing powers of steam. Relax while being enveloped in the warmth of steam infused with natural botanicals for specific therapies. You will drift away while your body experiences health benefits such as: weight loss, detoxification, beautiful skin, stress relief, joint pain relief, muscle pain relief, relief from allergies and asthma, improvement of circulation, and boost your immune system.

Body Bronzing \$60
 Sunless tanning is becoming more important than ever! We are seeing higher risk of skin cancer every year. With this treatment you will be a bronzed beauty without the exposure and risk to harmful UV rays.

Mandarin Body Whip \$60
 Your skin will feel alive with this exfoliation treatment. Whipped mandarin will stimulate your senses and invigorate your body. Prior to application, gentle brushing will slough dull skin and increase circulation of blood and lymph. Careful...you may be too sweet to resist!

Divine Detoxification75 minutes - \$115
 90 minutes (includes longer massage & steam) \$130
 Designed to detoxify the body and stimulate the circulatory and lymphatic systems. Includes light massage with aromatherapy oil, organic ayurvedic body mud mask and herbal steam, followed by a finishing body butter. This treatment will help move impurities out of the body and leave your skin feeling clean and radiant.

Tropical Salt Glow.....60 minutes - \$95
 This is an amazing full body exfoliation and moisturizing treatment! Includes a full body organic salt scrub exfoliation with lime extract, followed by a 20 minute steam infused with citrus essential oils and finishes with a light massage with coconut body butter. Your skin will look and feel incredibly soft and smooth.

Eyelash Extensions

Xtream Lash Eyelash Extensions are single or multiple strands of synthetic eyelashes applied to a single natural eyelash, creating a longer, fuller, and darker lash look.

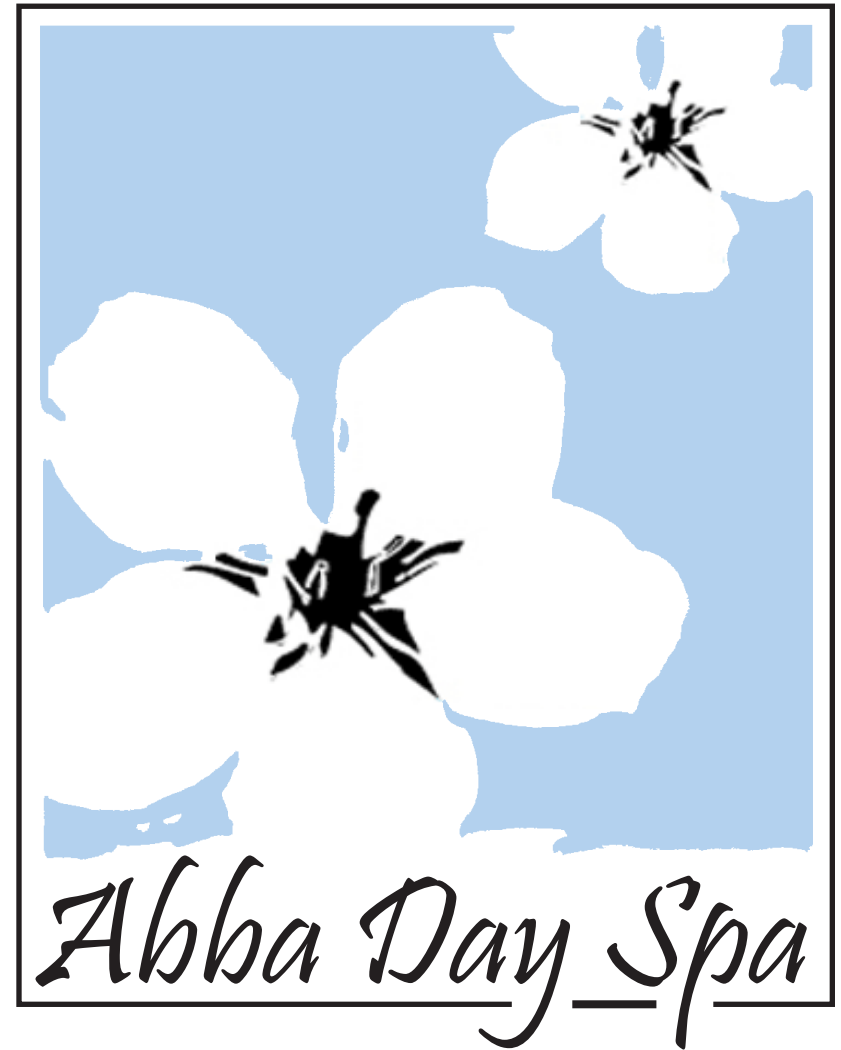

With hundreds of lengths, thicknesses, lash curvatures, and colors to choose from, your lash stylist can customize a set of lashes specifically for your eyes.

Facial Treatments

Divine Signature Facial\$115

Once you've experienced the ultimate pampering it will be hard to ever go back! This facial includes hand/foot treatment, along with neck, shoulder, and soothing scalp massage. Warm globes will simulate hot stone massage, to insure the "awe factor". Last but not least we will quench dehydrated, puffy eyes with our fabulous eye treatment. How can you resist a treatment that is corrective and relaxing!

Classic Facial.....\$70

Designed for well maintained skin. You will receive steam, deep cleanse, exfoliation, and a mask for your skin type. To complete your rejuvenated skin you will be hydrated with the most corrective moisturizer on the market.

Purifying Facial Cleanse.....\$75

This facial will be appreciated by those with acne, and skin prone to congestion. All acne is not to be treated the same. Your skin will be analyzed and treated according to your condition. Products containing antibacterial agents will help fight the acne. You will also receive extractions, and high frequency. Your pores will thank you!

Timeless Facial.....\$85

As the years pass our production levels slow down. During this treatment we will address collagen production, and skin cell renewal. Your skin will be left feeling silky- smooth and supple. Your skin will feel firmer and more toned. Pores will be minimized and enhances your natural glow!

Refresher Facial.....\$45

When you need to conserve time this facial will do the trick. We will focus on cleansing, exfoliating, and hydrating the skin. Guaranteed to have you wanting more!

Facial Peels and Microdermabrasion

Beta-glucaderm peel.....\$40

If you are pressured for time and need a "lunch time peel" this treatment is designed for you. Alpha-hydroxy will be used to smooth away rough skin, help pigmentation, and even help treat acne.

Triad Peel.....\$50

This peel system delivers lactic and citric acids to exfoliate the skin via epidermal stimulation. Results are clearer and younger skin without the downtime with traditional peels.

Microdermabrasion.....\$75

6 Treatments.....\$400

Discover the benefits of microdermabrasion! Some benefits include: Reduction of large pores, softens fine lines, enhances skin texture, and smoothes the appearance of acne scarring.

Waxing

Waxing is a great alternative from tedious tweezing and shaving. Let us give you longer lasting effects and softer slower hair re-growth. Look flawless everyday!
